Dear Peter and Sonia,

Wellington International Airport Runway Extension – Resource Consent Application

1. We act for Wellington International Airport Limited (WIAL). Please find **attached** for filing an Application for resource consents relating to the Wellington International Airport Runway Extension (the Project) on behalf of WIAL.
2. Given the significant public interest so far and the scale of the Project, we have also enclosed an application for a Direct Referral.
3. The relevant filing fees have been direct credited today. Hard copies of the applications will follow by courier.
4. We look forward to working with you through this consenting process. If you have any questions please let us know.

Yours faithfully
Lane Neave
